Training abroad seen by the GEII Department

You wanna gain experience by traveling the world ?

Then international studies are made for you !

INTERSHIP ABROAD

-In a company
You have to find your own
internship,
but you can receive a grant !

-In a University lab
In a partner University or
a University without
partnership

Furthermore a partner University
can find an internship for you.

DATES :

- For S3 you have to apply by February.
- For S4 you must register before June.

-If you want to go to another destination let us know
in advance.

Many possibilities

Study trip in
Europe

Many other countries
have study
agreements with the
IUT for GEII

Semesters,
Internship abroad
and
Tutored project
